Each day we will be moving with our Healthy Movers programme. During the session we do a **Letters and Sounds** activity to help us talk, listen and think. We also have a daily **Maths** meeting where we learn about number, shape and measures.

Milk/water and snack

Toast, fruit and milk are provided free of charge by the school. If you wish you can send your child with a named plastic bottle each day. Water is always available.

Outdoors We are so lucky to have a large outdoor space and so spend a lot of time exploring. There is a mud kitchen for cooking, a large slide with different climbing approaches, blocks and planks to build and balance, a big sand pit for digging and a water area for investigating.
