Learning together for a better future

Dear Parent/Carer,

Message from Miss Furnish

I can't wait until Monday when our class libraries officially open. I know many of our children are waiting to sign out one of our new books and I look forward to talking with children over the coming weeks about their latest reads. Please do spend time either talking with your child about the book they are reading or enjoy the book together. Research tells us that reading at home is key in supporting children's progress in reading and really does make a huge difference.

Finally, I would like to thank parents and carers for their support raising funds for the school. All money raised goes towards the children and makes a real difference.

Take care and wrap up warm this weekend.

Are you having a pre-Christmas tidy out at home?

If you have any toys you no longer want the Nurture rooms would be grateful for them.

Key Stage 1 would especially like:

cars, diggers and emergency vehicles, construction toys and stickle bricks.

Also, small characters such as Bluey, Paw Patrol and Peppa Pig.

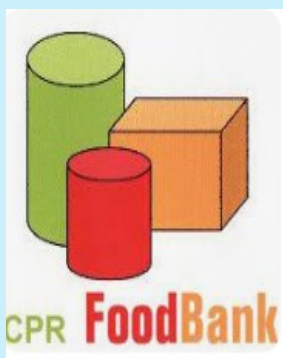

Thank you.

Christmas Foodbank Hampers

Transformation CPR are now taking referrals for Christmas food boxes. The criteria for a referral is if the family would not otherwise be able to afford a Christmas dinner. There is a limited number of food boxes and they will be allocated on a first come basis. If you would like to be referred, please speak with either

Mrs. Eva or

Mrs. Squire.

Merry Christmas

Team 3 & 4

We are showcasing the Year 4 Stunning Start for the Maya Unit of learning.

Year 4 started their new unit of learning about the Maya by learning about the different types of ceremonial masks. They created their own vibrant designs.

This week in Year 2, we found an old treasure map in the school. We decided to follow the map and look for clues. Suddenly, someone spotted an ancient treasure chest. Carefully, we carried it back into the classroom and looked what was inside! We found an old telescope, compass, an ancient diary, shells, silk and a pouch full of diamonds. We predicted who the chest belonged to. Some of us thought it must belong to a pirate!

Team 1 & 2

Team EYFS

Pre-school are exploring all modes of transport over the next term. We have started by making our own train tracks and visiting our favourite places! Next week we are looking forward to some boat rides!

Team 5 & 6

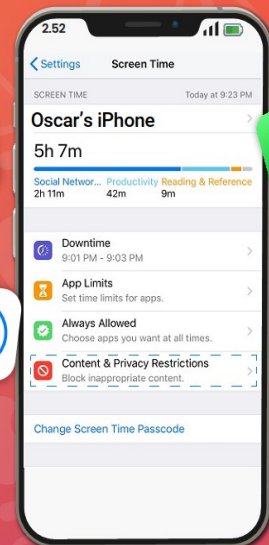

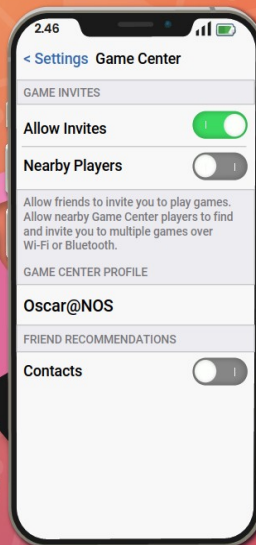

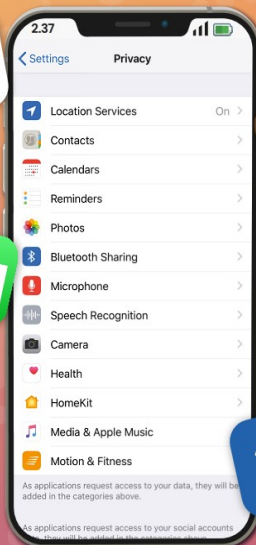

How have expeditions changed over time?

For Year 5's stunning start, we created Frostbite Fingers! We learned all about frostbite and how an explorer may contract it (in their fingers/toes/ears/cheeks) and discussed how they could avoid it. We then carefully painted the Modroc fingers to show the different stages.
