Learning together for a better future

Dear Parent/Carer,

I would like to begin this week with a huge shout out to the staff who have attended one or more of our residential. At Roskear we believe that giving children rich opportunities is vital which is why, in each of our KS2 year groups, we offer a residential. These residential could not happen however without staff giving up their evenings and sleep! Thank you to the staff for making these residential happen.

On a different note it is with great sadness that we prepare to say happy retirement to our wonderful Mrs Squire. Mrs Squire has helped the school provide so many children with exceptional love and nurturing during her 36 years at Roskear and she will be greatly missed. If you would like to give a donation towards her leaving gift please do so via the office.

Finally, I wish you all a lovely weekend. Take care.

Team 5 & 6

Year 5 have been exploring coil art this week, focusing on the artist, Asya Kozina. We explored the different coiling techniques, creating different shapes. Then we used these techniques to create a picture using coiled paper. In writing we have been inventing our own losing tales- with some fantastic literary devices. In maths we have been finishing our conversion unit, looking at capacity and volume this week. We have an exciting development in history - we have written and entered short sagas about the Vikings into a nation-wide competition.

Your step-by-step guide to getting your childcare code for September

If you are an eligible working parent in England, you can apply for:

- 15 hours childcare per week over 38 weeks of the year, if you have a child between 9 months old and 3 years old. Your child must be at least 9 months old on or before 1 September.
- 30 hours childcare per week over 38 weeks of the year, if you have a child aged 3 or 4 years old.

You have until 31 August to get your code from [gov.uk](https://www.gov.uk) to start in September. **However, it's important to remember some childcare providers will have different deadlines. Make sure you speak to yours at an early stage to find out more about their arrangements.**

If you plan to return to work from parental leave or start a new job by the end of September, you can apply for a childcare code at the same time as everyone else. You will then receive a letter in the post within 1 to 2 weeks.

Here's how to get your childcare code:

1. Check your eligibility online on the [Childcare Choices website](#).
2. Speak to your provider, such as your nursery or childminder. Check what their arrangements are and that they can offer your child a place.
3. Create a [childcare account on gov.uk](#) if you don't already have one, where you can apply for your code. You'll need:
 - your National Insurance Number (or unique taxpayer reference if you are self-employed)
 - the date you started or are due to start work
 - details of any government support or benefits you receive
 - the UK birth certificate reference number (if you have one) for your child

4. You may receive your code straight away, but it can take up to 7 days. You should then give this code to your provider.

5. Reconfirm your details on your [gov.uk](https://www.gov.uk) childcare account every 3 months.

If you have already applied for your code to start in September and received it before 1 June, you may need to reconfirm your details before you take up a place in September. Log into your [childcare account on gov.uk](#) to check when you need to do so.

If you needed to reconfirm your details for Tax-Free Childcare before 12 May and your reconfirmation window opened after 9 June, you will have received a letter from HMRC with a valid temporary code.

To find out more, read the [frequently asked questions for parents here](#).

Team EYES

The children in reception have been inspired by the artist, Kurt Jackson. This week we have been learning how to create a watercolour landscape. The children had to make sure they put a water wash on their paper first before adding any pigment. To give their artwork depth they created a sea collage to go in front of their water colour landscape. The final results are amazing. The children have worked so hard.

Year One have been painting seagulls in the style of John Dyer. We were learning to use different tools for painting- fingers, brushes and sponges to add texture. We are really proud of them and hope you like them too

Sustrans

JOIN THE MOVEMENT

As part of Roskear School's commitment to sustainability, we are offering Dr Bike maintenance with Sustrans' Dave Davies on **Friday 5th July!**

Pupils, parents and carers will be entitled to a **free** maintenance safety check done on their bike or scooter. Small adjustments will be made, and Dave will outline work completed.

A typical bike check involves checking/adjusting brakes, handlebars, saddle and pedals, inflating tyres, tightening nuts and bolts and oiling parts. Scooter checks involve checking wheels, deck and fixings, ~~making adjustments~~ where necessary.

If riding to school, Roskear recommends the use of helmets. All bikes need to be roadworthy and have working brakes and pumped-up tyres.

If you want to get involved, Dave will be available before school at the bike racks.
