

Roskear Primary and Nursery School

Learning together for a better future

Date: 9/11/23

Dear Parent/Carer

Classroom Libraries for Reception—Year 6

As you will know from last week's Hand in Hand, the school has just purchased a large number of new reading books for children to enjoy. Our thanks to the wonderful fundraising from FORSA and the support of our fabulous families. These books have been placed in classes to create a class library (previous referred to as the '35 Books to Read').

As part of our drive to develop a love of reading, they will be encouraged to take home a book from the newly stocked classroom libraries. Adults will note which children have a book and the name of the book so that as a school we can keep a track of them.

We kindly ask that when your child has read their book they return it to school after a week so that they can then borrow another. If it is a longer book (Years 5 and 6) then we appreciate children may wish to keep them for up to three weeks. This will be monitored.

If a book is not returned you will receive a reminder slip. If the book remains unreturned the school may ask you to cover the cost of the book so that it can be replaced. I am sure you will appreciate that our books are a valuable resource for the children and as such we need to ensure they are returned or replaced accordingly.

I look forward to speaking with the children over the coming weeks about their latest reads.

I thank you for your support with this development.

Kind regards

Nic Furnish
Headteacher
