Learning together for a better future

Dear Parent/Carer

Over the last couple of weeks all the children have done themselves proud with their efforts at our various sports days. These events are always lovely for the children, especially as so many of the parents and carers attend to not only cheer their own child on but all the other children too. We saw excellent teamwork, effort and resilience throughout. Well done to all involved, including the numerous leaders who coordinated the events, in particular Mr Forder for such a positive Roskear Olympics!

At Roskear, we take nothing more seriously than the safety of the children and we need your continued support to ensure the children stay safe. This means following the school's request in relation to not moving your car in the school carpark unless having signalled to do so by a member of staff. Unfortunately, if individuals cannot follow the request and repeatedly break them, putting children at risk, they will first be issued a written warning and, on the next occasion of disregard for the school request, they will be banned from the site.

Many thanks and take care.

Pupil Absence

Please could we remind all parents/carers, if your child is absent due to illness/medical appointment, please report this by phoning the main school number and leaving a message on the absence line (option 1) by 10.00am.

Thank you for your help.

Summer Holiday Lunches

If your child receives Free School Meals and you are concerned that it will be a struggle to provide lunches for your child over the holiday please speak to Mrs Eva, Mrs Rideout or Mrs Squire who will talk to you about the Transformation CPR Summer Holiday Lunch Provision Scheme.

Thank You.

Summer Fayre Raffle

Pupils will be bringing home raffle tickets for the summer fayre which takes place on **Monday 15th July**. If you/your child would like to purchase tickets (50p each or 5 for £2.00) please pass the money to your child's class teacher.

Thank you.

Team 5 & 6

Year 6 had a visit from the metal team from Geevor mine. We listened to a presentation about the history of mining in the area, different materials you can mine and looked at a digital model of the mining tunnels under the local area along with other artefacts.

Your step-by-step guide to getting your childcare code for September

If you are an eligible working parent in England, you can apply for:

- 15 hours childcare per week over 38 weeks of the year, if you have a child between 9 months old and 3 years old. Your child must be at least 9 months old on or before 1 September.
- 30 hours childcare per week over 38 weeks of the year, if you have a child aged 3 or 4 years old.

You have until 31 August to get your code from [gov.uk](https://www.gov.uk) to start in September. **However, it's important to remember some childcare providers will have different deadlines. Make sure you speak to yours at an early stage to find out more about their arrangements.**

If you plan to return to work from parental leave or start a new job by the end of September, you can apply for a childcare code at the same time as everyone else. You will then receive a letter in the post within 1 to 2 weeks.

Here's how to get your childcare code:

1. Check your eligibility online on the [Childcare Choices website](https://www.childcarechoices.gov.uk).
2. Speak to your provider, such as your nursery or childminder. Check what their arrangements are and that they can offer your child a place.
3. Create a [childcare account on gov.uk](https://www.gov.uk) if you don't already have one, where you can apply for your code. You'll need:
 - your National Insurance Number (or unique taxpayer reference if you are self-employed)
 - the date you started or are due to start work
 - details of any government support or benefits you receive
 - the UK birth certificate reference number (if you have one) for your child

4. You may receive your code straight away, but it can take up to 7 days. You should then give this code to your provider.

5. Reconfirm your details on your [gov.uk](https://www.gov.uk) childcare account every 3 months.

If you have already applied for your code to start in September and received it before 1 June, you may need to reconfirm your details before you take up a place in September. Log into your [childcare account on gov.uk](https://www.gov.uk) to check when you need to do so.

If you needed to reconfirm your details for Tax-Free Childcare before 12 May and your reconfirmation window opened after 9 June, you will have received a letter from HMRC with a valid temporary code.

To find out more, read the [frequently asked questions for parents here](#).

Team EYFS

The Nursery children have been learning about jellyfish. They found out that some jellyfish glow in the dark, they don't have brains and not all jellyfish have tentacles. Using paper plates, foil, acetate and crepe paper we made these wobbly creatures for our display!

Team 1 & 2

Year 2 had an amazing trip to the Maritime Museum in Falmouth, to learn about Sir Francis Drake and The Spanish Armada. They took part in a workshop looking at artefacts, maps, and portraits. They were able to dazzle everyone with their knowledge of the continents and oceans. We ended the day making our own boats and got to race them across the water.

KS1 Book Of The Week: **Black Dog**

Author: Pamela Allen

Book Level: 3.2

One cold day in the winter changes the lives of Christina and Black Dog forever.

KS2 Book Of The Week: **Wolves of Willoughby Chase**

Author: Joan Aiken

Book Level: 6.5

Sylvia braves a treacherous journey through snow-covered wastes populated by wolves to join her cousin Bonnie at Willoughby Chase.

Team 3 & 4

In Year 4 this week, the children worked in groups to design a fair test to find out which materials would be best to reduce noise. They thought about which variable they would need to change and then carried out the experiment to investigate the different materials. They then presented their results to the class.

Gardening Club were thrilled to see how big their lettuces and sunflowers have grown!

ROSKEAR PRIMARY AND NURSERY SCHOOL

SPORTS STAR OF THE WEEK

A weekly award to celebrate our endeavours in Real PE lessons

Tanisha - Coverack

For her amazing effort in her races at sports day.

Team 3 & 4

Last week, the year fours travelled to Porthpean for their camp. It was a fun-packed 3 days of wall climbing, caving, Laser tag, stand up paddle boarding, kayaking, high ropes and much more. The children had the best time trying new things and loved ending the camp with a brilliant silent disco.
