Dear Parent/Carer

Reference: **Reception Classes**

Following a review of our outside provision, we will be making several changes which will require us to set up the area prior to the children arriving at 8.40am.

In order for us to be able to do this, we will have to have children coming to the Reception classes from the other side of the building. This means that from Monday, we would like the Reception children taken around opposite the preschool building, where they will be greeted by a member of staff from their classroom. Chapel Porth children will enter through the first door and Porthcurno children will enter through the second door along which is their cloakroom door.

Children who come to class via drop off will still be brought to the class through the pencil gates, however no other parents/carers or children should enter this way please.

I thank you in anticipation for your support with this and believe it will considerably improve the outside provision for your child(ren).

Should you have any questions please do contact me.
