

## Team EYFS

This week in team EYFS...

We have welcomed children into all our Early Years classrooms and it has been a very special time as children have enjoyed their 'first day at school'.

The children have been amazing as they have been learning their new class routines and getting to know all the other children. Indeed, they have been very busy making new friends!

The children bring home a book to share with an adult and we know that sharing stories and favourite books is one way our children will learn all about the world around them. Please encourage your child to return their books and exchange them for new ones.

We do still have spaces available in both our Crofty Minors Pre School and our Roskear Nursery. Please contact the school office for further details.
