Learning together for a better future

20th January 2022

Dear Parent/Carer

Reference: **Possible Strike Action**

You may be aware from media coverage that the NEU (one of the national teacher unions) have declared national strike action, which will take place on the following dates:

1st February
2nd March
15th March
16th March

The strike is happening because of a national dispute between the teacher union and the government over teachers' pay.

I felt it important to let you know now, to give you as much notice as possible, that learning may be disrupted on those dates. I cannot confirm anything at this time, but hope to have more information for you next week.

I recommend that you start to tentatively consider alternative child-care arrangements for those dates just in case it is needed.

I am sorry about the potential disruption to you and your child's education. Please be assured that I will inform you of final arrangements as soon as possible.

Kind regards

Nic Furnish
