Learning together for a better future

14/12/22

Dear Parent/Carer,

Reference: winter cost of living support payments for families eligible

We have been waiting this week to receive winter payments on behalf of the local authority for parents/carers whose children are in receipt of free school meals (please note this is not the same as universal free school meals, which all children in Reception, Year One and Year Two get).

At present the email payments have not arrived and the local authority is unable to confirm if they will arrive before the end of the term.

When they do arrive they will be emailed to parents/carers from the school and as such, if you are entitled to the living support payment, we will need an email address for you as a matter of urgency (the end of the term being Friday).

You will receive a link tomorrow morning and we ask that you use the link to fill in a quick form with your CHILD/REN'S FULL NAME and your email address. Please fill it in separately for each of your children.

If the payments have not have arrived by the end of the term the winter payments will be made in January upon our return.

Kind regards

Nic Furnish
