

## Year 5 - Autumn 1 - Homework Grid

Geography / History

Art / DT

Science / Maths / ICT

R.E. / P.S.H.E / PE

**Past**  
Revisit

Create a detailed diagram of the water cycle.

Choose any medium that you have available and paint a self-portrait.

Design a poster for your times tables. Put it somewhere to help you to learn them.

Imagine that you are one of Jesus' disciples. Compose a diary entry detailing a day in the life of the disciple during Holy Week.

**Present**  
Consolidate

Draw a picture of a mountain and label its features.

Create a Papier-mâché polar animal.

Create your own Venn diagram with pieces to classify animals.

Create a set of rules you think  would be useful for pupils to use to save energy and prevent climate change. Why would it have been important for them to follow these rules?

**Future**  
Ignite

Create a fact file about a person that has had an impact on raising awareness of climate change.

Draw your own version of Frank Hurley photographs.

Explain global warming and the rising sea-levels.

Research / create a fitness programme for a modern explorer.

Shade and date the box when you complete a task. Any activity that cannot be recorded in your book needs an adult's signature and date.  
Do at least one task each week.

**Don't forget to also read at home, learn your spellings and practise your weekly tables as much as you can!**
