Spring Term 1 2022

Going Wild!

Our new topic is called 'Going Wild'. We will be learning about zoo, farm and wild animals. Sometimes we will base our learning around a story e.g.

'Dear Zoo' by Rod Campbell and sometimes we will use songs and rhymes e.g. 'I went to the animal fair'.

Maths Meetings

Every day in Nursery we have a Maths meeting. This half term we are counting accurately, matching numerals to amounts and talking about more, fewer and same.

Remember: Please could you inform the school if your child is absent from Nursery. This will help us to complete our daily registers. Thank you.

Independent skills

Thank you to those parents who are teaching their children to dress and undress themselves. This is a great help for outdoor play. Putting on and zipping up coats, taking off and putting on socks and shoes are essential Nursery skills.

Nursery Super Stars!

We enjoy hearing about all of your children's achievements and celebrating your child's special moments. From name writing to doing up zips and buttons.

Please fill in a WOW moment for the SUPER STARS board in the cloakroom.

Reading tips!

When sharing books with your child:

Encourage them to hold the book and turn the pages themselves.

Point out the front and back covers.

Talk about the title and the author.

Point to the words with your finger and talk about left to right.

Look for letters your child may know e.g. letters in their own name.

Say the letter sounds.

Discuss the pictures.

Predict what will happen next.

Ask some questions at the end e.g. What was your favourite part? Why? Who was the main character? etc.

Self-care

If you have a child in nappies by day, please start thinking about toilet training as soon as you can.

Independent use of the toilet really helps children to develop skills needed for school in September. Only two terms to go!

If you need any advice, please ask a member of staff.

In the meantime, please ensure your child has clean nappies/pull ups, wipes and a change of clothes in their bag.

Thank you
