

## Roskear's Reading Journey

*At Roskear Primary and Nursery School we are passionate about reading. By reading everyday we take children into a world that goes beyond our typical everyday spoken language. Our texts are carefully chosen to complement our school drivers, ensuring children learn about: the environment, both local and the wider world; how to build resilience; how changes affect us emotionally, locally and globally; to communicate in an increasingly complex world; to be curious about the world they live in. We are determined that every child leaves Roskear with a passion for reading so that they become lifelong readers. We begin the reading journey in FS1 where children have many wonderful stories read to them. We believe stories teach children to:*

- *Sustain attention*
- *Learn thousands of new words*
- *Hear patterns in words and phrases*
- *Understand emotions*
- *Build pictures in their minds from the words on the page*
- *Understand the nuance of humour*
- *Follow a plot with all its twists and turns*
- *Use inference to read between the lines and predict what's about to happen.*

*We share stories, rhymes and songs across the day as well as having a 'Story of the Week' which we post on Eschools so that parents can engage with their child's learning.*

*In nursery, we also learn whole stories and encourage children to take books home to share with parents and carers. Children in nursery also begin learning letters and sounds Phase 1 (Early Phonics) and in Summer 1 we start to introduce RWI letter cards.*

*In Reception and Years 1 to 6 we have an author for each half term, with 5 books written by this author available to be read so that children become familiar with 6 authors each year. By the time they leave our school they will have extensive knowledge of at least 42 children's authors.*

As well as this each class has available 35 books to read before you leave each year group, these include fiction, non-fiction and poetry and across KS2 (Years 3 to 6) we have Accelerated Reader books in each class.

We also have high quality non-fiction books that compliment our Units of Learning available in each class.

Pre-School	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Class texts	Where's my mum? My funny family Rainbow Fish Sharing a Shell Peace at last Our house story Dear Zoo Squash and a Squeeze We're going on a bear hunt Owl Babies Mr Gumpy's Outing	Goldilocks and the three bears 10 little monsters 3 bears go on holiday 3 little pigs Aliens love underpants 10 little dinosaurs Gingerbread man How to catch a star	Big bouncy bed story Walking through the jungle The Tiger who came for tea Harry and his bucket full of dinosaurs What the ladybird heard Commotion in the ocean Hungry caterpillar Brown bear, brown bear	Tiny seed book The Gruffalo Jack and the beanstalk A seed in need Shark in the park on a windy day	Hungry Harry Very lazy ladybird Very busy spider Mrs mole I'm home	Peppa pig on the seaside Seal at the wheel That's not my airplane Up and down My Gumpy's car Whatever next The way back home Lost and found Space shuttle blast Someone bigger
Curriculum Application of Texts	In pre-school our stories have been carefully chosen to ensure they ignite children's creativity, spark curiosity, and stimulate the imagination. They are rich in language and rhyme, encouraging children to love the rhythm of language.					
Nursery	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Class texts	2 little dickie birds	The wheels on the bus	The shopping basket	The Enormous Turnip	Goldilocks Red Riding Hood	Shark in the park Octopants

	5 little monkeys swinging in a tree 5 in the bed	The storm whale The little red train Whatever Next	I know an old lady who swallowed a fly Owl Babies	Maisy grows a garden Jack and the beanstalk	The three Billy Goats Gruff There was a princess long ago	Sharing a shell Sally and the Limpet

A Walk in the Desert</i></p>			
<p><b>Curriculum</b> <i>Application of class texts</i></p>	<p><i>Class readers are chosen to ensure progression in reading through reading a broad range of increasingly challenging texts, enabling children to be ready for the challenges in secondary school. Where possible texts are chosen to complement the units of learning, where this isn't possible a classic text has been chosen.</i></p> <p><i>Units of Learning books are chosen to improve children's knowledge of the wider world, its history and geography. They build upon learning from previous years – Geography: the planet Earth; North America and commerce in Cornwall; History: WW2, slavery and building on the yr 4 learning about Cornwall and its mining heritage.</i></p>
