

Year 4- Summer 2- Homework Grid

	Geography/History	Art/DT	Science/Maths/ICT	R.E. / P.S.H.E / PE
Past Revisit	Create a detailed diagram of the water cycle.	Create a collage using a theme of your choice, in the style of Matt Cusick.	Create a price list for a choice of items of your choice. Show your understanding of money by calculating how much it would cost to buy several items and how much change you would have left from your chosen amount of money.	Imagine that you are one of Jesus' Disciples. Compose a diary entry detailing a day in the life of the disciple during Holy Week.
Present Consolidate	Research the life of an Elizabethan child.	Choose any medium that you have available and paint a self-portrait.	Set up an investigation to test how a material changes its state of matter.	Complete a fitness circuit designed by you - do not forget to include your warm up and cool down.
Future Ignite	What can you find out about polar biomes? Where are they located?	Experiment with pencil drawing - how can you create light and shade?	Design a poster for your times tables. Put it somewhere to help you to learn them.	What makes a great friendship? Design a poster with the top tips!

Shade and date the box when you complete a task. Any activity that cannot be recorded in your book, needs an adult's signature and date.

Do at least one task each week.

Don't forget to also read at home, learn your spellings, use Prodigy and practise your weekly tables as much as you can!
