

Year 5 - Autumn 2 - Homework Grid

	Geography / History	Art / DT / Music	Science / Maths / ICT	R.E. / P.S.H.E / PE
Past Revisit	Can you locate 5 mountain ranges in the United Kingdom?	Create a Papier-mâché mountain and label its features	The temperature is currently -18°C . It had decreased by 27° . What was the original temperature?	Create a set of rules you think would be useful for pupils to use to save energy and prevent climate change. Why would it have been important for them to follow these rules? 
Present Consolidate	Explain global warming and the rising sea-levels	Create a portrait of Shackleton / Falcon Scott using chalk or charcoal	There are 4 South Poles. What happens when compasses are near magnets or other metals?	Research / create a fitness programme for a modern explorer
Future Ignite	Find out the populations of each European country and list them in ascending order.	Create and perform a song about the solar system!	Put the planets in the order of size. Can you use mathematical symbols?	Create a set of rules for astronauts to follow when they are in space. 

Shade and date the box when you complete a task. Any activity that cannot be recorded in your book needs an adult's signature and date.

Do at least one task each week.

Don't forget to also read at home, learn your spellings and practise your weekly tables as much as you can!
