Learning together for a better future

Dear Parent/Carer,

Message from Miss Furnish

As we fast approach the end of the academic year, I am reminded of how incredible our children and staff are. This week our Y6 children received their SATs results. Each one of them should feel extremely proud of themselves, not only for their academic efforts and achievements but more importantly, for the kind, thoughtful and hardworking children they are.

Due to unforeseen circumstances, I was unable to attend our recent sports days however I would like to thank every parent and carer who attended to cheer the children on. I know the weather has challenged us and I would like to thank you all for your commitment and understanding.

I wish you all a relaxing weekend and look forward to seeing you all on Monday. Take care.

Car Park

I am afraid that I have been made aware of parents continuing not to follow the safety rules of the car park, such as moving before signalled to do so, not reverse parking as previously requested etc. These expectations are there to help keep the children safe. If you do not follow these expectations you are putting the children at risk which I am confident would not be the intention of any of our parents/carers. Please then can I ask that you are always mindful and patient in the car park, know that the staff there are doing their best to help keep the car park a safe space and as such should not be sworn at for doing their job.

Swearing on the Site

I believe that today there was an incident in the carpark with one of our parents confronting and swearing at another parent, who was parking and had their own young child in the car. I have advised this parent to pass all information on to the police. Please can we refrain from this behaviour on the school site.

Thank you.

Chartwells - School Meals Increase

If you do not receive free school meals or universal free school meals (those pupils in Rec, Year 1 & 2), the cost of a school lunch is rising to £2.66 with effect from 1st September 2023.

Please note this increase has been made by Chartwells not Roskear.

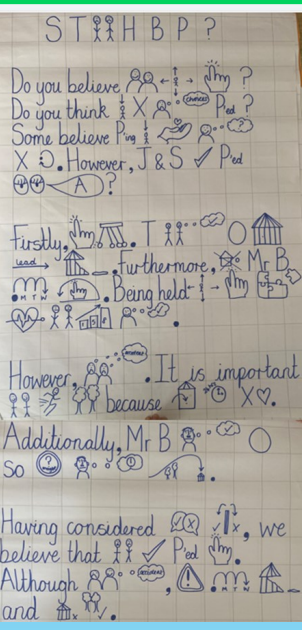

Many thanks.

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

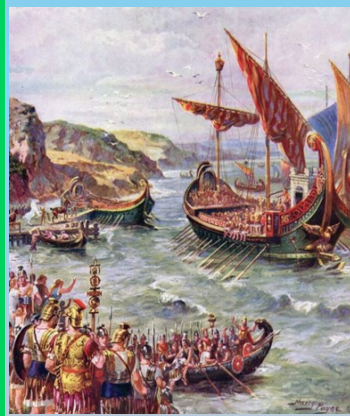

Team 3 & 4

This week Year 3 have

enjoyed learning the discussion text 'Should the boys have been punished?' and are very excited to begin their innovation, titled 'Should the Romans have invaded Britain?'. They have already begun to generate ideas for their innovation, and it has been wonderful to see how

much knowledge they have transferred from our history learning about the Roman invasion.

Team 1 & 2

In Art this week, Year 1 have been creating their final piece of artwork in the style of John Dyer.

They have looked closely at his work, and they have created some wonderful artwork. Well done, Year 1.

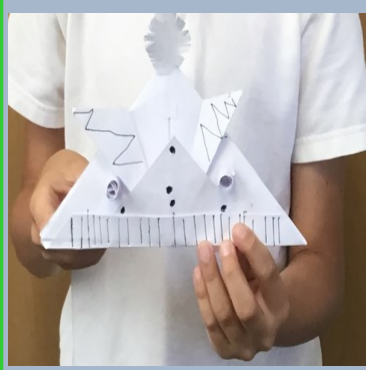

Team EYES

The children in Reception had a fantastic time at Portreath beach. First, we met the lifeguards and learned all about beach safety. We then got busy creating sandcastles, paddling in the stream, having a picnic and we even took turns jumping over the waves. The children's behaviour was exemplary and they were assets to Roskear School. We had so much fun and want to say a huge thank you to all of the parents/carers who were able to help out - the trip would not have been possible without you!

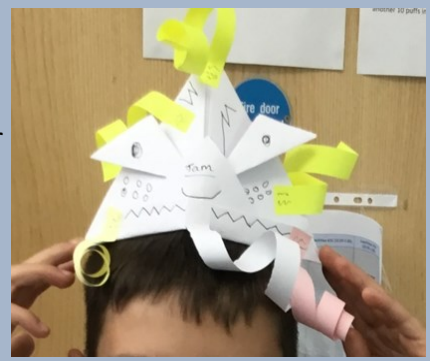

Team 5 & 6

In art, Year 5 have been learning about a Ukrainian artist called Asya Kozina who is a paper sculptor. This week

we planned and created our very own 3D paper sculptures. Some of us chose to make Viking helmets and others made Viking longships.

We included a range of techniques which we have been learning about over the term: coiling (quilling), curling and origami. Here are some of our finished products:
