Friday 10th October 2024

Learning together for a better future

Dear Parent/Carer,

Today your child will have brought home with them a letter telling you about our new lunchtime initiative and asking for your help. On the back of the letter are a list of bits and bobs we are after for the children. Much of it you may have at home, in a garage, in the garden or at work, or you might know someone who has something we could have. Please help us by looking over the weekend or next week to see if you could donate something that probably has little or no cost to you but could make a big difference to the children of Roskear.

Today, it was lovely to see so many family members at the church with us today for KS2 Harvest Festival. I love it when we come together as I am reminded of how strong our Camborne community is. I cannot believe I am saying this, but it won't be long until I see you again at the church ready for the Christmas Carol Service, which this year will be going back to a proper Carol Service, telling the Nativity story.

Finally, I wish you all a happy weekend and please don't forget to do a little rummaging or call a friend to see if you can donate one of our 'most wanted items'. Thanks.

Halloween Disco

24th October

Reception to Year 2

5.30pm—6.15pm

Year 3 to Year 6

6.30pm—7.30pm

£2 entry per child.

Tickets available on ParentPay week starting 23rd Sep.

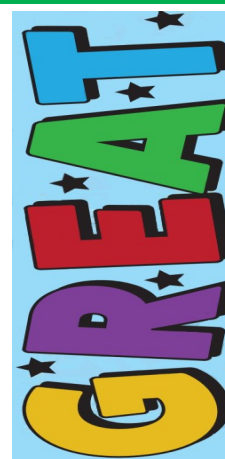

Tuck to buy will be available and feel free to come in fancy dress!

Farewell Friends

Last week we said farewell to Mrs Mitchell, who had worked at the school for 17 years. I would like to thank her on behalf of us all for her commitment and dedication to our school and in particular to the children. I know we wish her the very best and look forward to seeing her when she pops in for a cup of tea.

This half term we have also waved farewell to Mrs Collick. I am pleased to report that she has remained in Crofty and I know that her talents will be hugely appreciated at her new school. Our thanks to her for her handwork and determination.

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

Team 3 & 4

This week in Year 3, we have been learning different skills that we need when preparing a healthy snack. We made homemade hummus, veggie sticks and flat breads. The children loved their afternoon and lots of the children said they enjoyed food that they had never tried before. Many of them wanted to make the flat breads at home. The recipe can be found at

https://kidgredients.com.au/wprm_print/super-easy-3-ingredient-flatbreads#

Team EYFS

The children in Reception have been busy mathematicians. They have been sorting and comparing sets of objects. The children have been counting accurately and are able to say which set has 'more' or 'fewer' items. They know to touch each item with their finger as they count and say the number name. Wow!

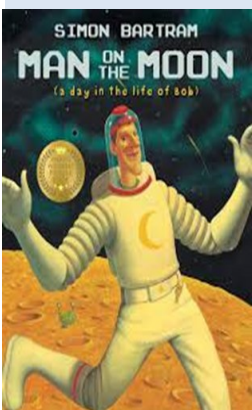

Try this challenge at home...grab a handful of dry pasta pieces and count them carefully...compare how many you have with someone in your family. Who has more? Can you hold more pasta pieces or fewer pasta pieces?

Year 5 have finished their fear stories based on Hansel and Gretel and are moving onto their explanation text on how to construct a gingerbread house. As the 'wow' moment between texts we created a mini gingerbread house. It was very tempting to eat all the sweets, but the children resisted and created some fantastic houses!

Team 5 & 6

In science the Year 5 have been exploring how to separate different materials. This week we have looked at filtering, using filter paper, and evaporation to separate different liquid mixtures. The children enjoyed the experiments and discussed soluble and insoluble solutions and their relationship with evaporation and filtration of liquids.

KS1 Book Of The Week: Man on the Moon

Author: Simon Bartram

Book Level: 3.7

It's Bob's job to entertain the tourists, conduct Moon seminars, sell souvenirs, and keep the Moon clean and tidy. There's a lot of rubbish to be picked up. Some say it's aliens, but Bob says there's no such thing.

KS2 Book Of The Week: The Arrival

Author: Shaun Tan

Book Level: No AR test

The Arrival by Shaun Tan is a graphic novel and wordless story of illustrations highlighting an immigrant man's journey told through an imaginary world.

Position	Class	% Attend	Number of Late pupils	Change from last week
1st	Newlyn	98	3	+3
2nd	Truro	98	4	+4
3rd	St. Blazey	96.6	2	+2

 **Geavor** 622

 **King Edward** 355

Year 2 have been fantastic designers this week. We have completed our mechanisms unit of Design Technology and have focused on wheels and axles. First, we looked at different wheels and axles, we then designed our own vehicle. This week we made our amazing cars. Our next step will be to evaluate them.

**Congratulations to the following
pupils who achieved
'Star of the week'**
