Learning together for a better future

Dear Parent/Carer

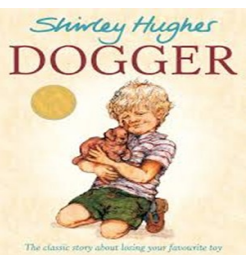

Gosh what a week! It has been a hive of activity here with children busy learning. This half term, I have loved seeing the classes visit our wonderful library and select books of interest to read at home for pleasure. The children love their time visiting the library. We have had and are encouraging the children to give us requests for other books they would like the library to stock, focusing on authors that they love.

Over half term break, we will be developing our outside spaces ready for lunchtime and as we will be endeavouring to have an 'all weathers' outside approach to lunchtimes children will need coats and even a pair of wellies/old shoes (if possible) that they can keep in their lockers ready for lunchtime. The UN Convention Rights of the Child states that all children have the right to play and we fully embrace this at lunchtimes. Please help us by sending in extra old shoes/wellies and a waterproof coat as children are likely to get messy/muddy.

Many thanks and take care.

Parent/Carer/Teacher Meetings

This year our meetings will be held after school from 3.35pm to 5.45pm. We will be holding our first meetings of the year on Wednesday 6th and Thursday 7th of November. Meetings will be held in classrooms and children may attend if you wish. Parents/carers will be able to enter the building through main reception and wait outside the classroom in the main corridor until you are called in. We do ask that if you bring your child(ren) with you, you ensure you are always supervising them as the building will be open to allow parents/carers access. You will receive a text next week which will give you the link you will need to be able to book a slot. Meetings are limited to 10 minutes per child and as such a bell will ring every ten minutes. This is not the school being rude but rather us ensuring that all meetings run on time for the benefit of everyone. If you require longer than 10 minutes, please ask the teacher at the meeting for a further meeting on a different day. If your child is on the record of need you will be invited by phone over the next week for a longer meeting so please do not book for a parent/teacher meeting. Many thanks.

This week, we have been learning about the season 'Autumn' in EYFS. We took a trip to Tehidy woods where we enjoyed collecting leaves and sticks; they had turned yellow, brown and red. We met lots of squirrels, ducks and swans. We made some beautiful woodland pictures when we got back to school.

Please look out for your children's Christmas card design order form. Coming home to be returned by half term.

Payment on ParentPay.

Team 1 & 2

Year 1 have been looking at the work of Pablo Picasso this half term for their art unit of learning. They have been looking at how Picasso's cubist portraits are unsymmetrical because they are jumbled up and not the same on both sides of the face. This week, we have been developing our ideas for our final piece; we cut up pictures of ourselves and collaged them to make cubist portraits.

Team 3 & 4

This half term in our Religious Education lessons, year 4 have been learning about the Trinity and why it is important to Christians. They have learnt that the Trinity is made up of three people and all these people are God. Using all the knowledge that they have learnt, children created an acrostic poem.

Team 5 & 6

Year 5 had an amazing school trip this week when they visited King Edward Mine. They learnt about past, present and future mining, had a tour of the mill and the museum and even got to pan for gold. What an excellent insight into their Cornish heritage. They represented Roskear superbly and we are super proud of them all.

ROSKEAR SPORT

Congratulations to Jayce in Year 6!
Jayce won 'warrior of the week' for his rugby exploits!
Jayce competed for Camborne rugby club in a closely contested 7-6 win against Redruth.
Winning the award for his excellent work ethic and carrying.
Well done Jayce!

Well done to our netball team for taking part in the Crafty tournament and School Games qualifiers this week!
The children were extremely impressive in their quick transitions and have shown huge improvements in such a short period of time.
Roskear finished fourth after a narrow defeat in the semi-finals. We can't wait for the next opportunity to show our skills!

Thank you to our amazing Y6 Pupil Parliament and Eco Warriors who attended the 2024 Youth Conference at the Fibre Hub last Friday about 'Sustaining Our Planet'. It was a great event where the children learnt all about the problems created by pollution and what we can do to reduce it.

The children listened to presentations and took part in workshops led by some incredible people working at the forefront of conservation and sustainability including: Ivor Corkell who is the Vice Chairman & Treasurer of the Camborne Regeneration Forum, Will Paris & Sam Seviour who are Biffa Engagement and Enforcement Officers, Brian Terry who is the leader of the Camborne Regeneration Forum & Fairtrade Camborne, Ed Hart & Phil Green who are Community Outreach Workers at RJ Working, Maggie Eastman & Sharon Foster from Camborne Green & Clean, Melanie Pellow from Tesco Supermarket Recycling, and finally Jolene Etheredge from Camborne Community Larder.
