Learning together for a better future

Dear Parent/Carer

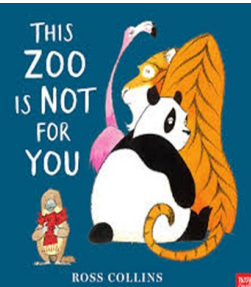

I cannot believe that we have already come to the end of the first half term. The children have certainly been GREAT! My thanks to everyone for making the half term such a positive start to the year. Today, members of pupil parliament assisted the senior team in making new appointments for after half term and we are looking forward to welcoming our new colleagues to the Roskear Family.

Tonight is the disco, please remember that if your child is coming they need to enter through the back doors to the hall, which are around the back of school near the KS1 adventure equipment (if in doubt do follow the crowd). Children need to then be collected from the hall via the door to the right of main reception.

I wish you all a super half term and thank you once again for your continued support and trust.

Disco

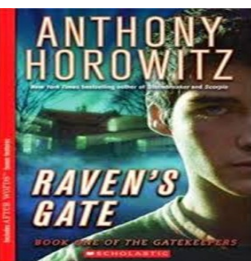

We are very much looking forward to the disco but due to high demand and safety of numbers in the hall I am aware that some children will miss out on the disco this evening. Moving forward, we will consider whether we need three discos next time to ensure that all children that wish to come can. Please can I also remind parents and carers that it is vital if the school gives a deadline for ordering, parents/carers book before the deadline as this too will help avoid disappointment. Thank you.

KS1 Book Of The Week: This Zoo Is Not For You

Author: Ross Collins Book Level: No AR Test

When a platypus stops by the zoo one day, all the animals assume he wants to join their zoo, and he is swiftly taken through a rigorous interview process. But the platypus is far too bland for the chameleons, he's not nearly graceful enough for the flamingos, and his tricks will never impress the monkeys.

KS2 Book Of The Week: Raven's Gate

Author: Anthony Horowitz Book Level: 4.4

Sent to live in a foster home in a remote Yorkshire village, Matt, a troubled fourteen-year-old English boy, uncovers an evil plot involving witchcraft and the site of an ancient stone circle.

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

Team 1 & 2

Year 2 had an informative zoom call with Sue Sayer, from the Cornwall Seal Group Research Trust. It is a local charity which protects seals and their ocean home. Sue told us that if we see a seal, we need to give them space.

Top Tips!

Take your rubbish home. A 2-week-old seal pup was seen trying to swim to safety, but it was being bashed by plastic bottles and other rubbish.

Join a local beach clean to remove rubbish and fishing nets from our shores.

Buy a frisbee without a hole in the middle. A seal got her head stuck in a frisbee. She still has a mark around her neck now!

Team 5 & 6

We have been learning about health lifestyles in science. The children planned a fair test in where they measured their recovery pulse rate after exercise. The children were drawing conclusions on which exercises made their pulse the quickest and why.

We are delighted to announce that Roskear School has achieved the School Games **GOLD** Mark Award! The School Games Mark is a Government-led award scheme facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. A huge thank you and congratulations to Mr Forder who has been a driving force of this!

Roskear Readers – Weekly Word Count

It has been another great term for reading here at Roskear School. Every week in school, we celebrate the word count, both whole class and individual children. At the end of every half term, each child with the highest word count across the school and the child with the highest number of tests passed are awarded a prize. So, all you readers out there get reading and passing those quizzes.

This Term's Class Word Count
