

Outdoor Play and Learning (OPAL) Resources

Any donations of loose parts should be dropped off at main reception. Please make Mr Bostrom or myself aware of any donations so that they can then be stored in our shed.

Whilst we will thoroughly check all items to ensure their safety, it would be appreciated if you could check that the items are safe enough to play.

We are also looking for small world toys e.g. cars, dinosaurs, farm animals or other small figures so that the children can also play with these. If you have any old/spare wellies you would like to donate to the school (all shapes and sizes!) these would also be gratefully received.

Fabricated (List A)	Natural (List B)
