Learning together for a better future

Dear Parent/Carer

This week, I have spent time looking at how the children are getting on in Reception, Year One and Year Two with their Read, Write, Inc learning. I can see that in class, during their lessons, the children are trying so very hard but I am afraid that some of our children remain not on track for where we would like them to be, or indeed where they need to be for their age. Over the next week, if your child would benefit from you helping at home with their sounds, you will be contacted by school and asked to meet with the teacher to see how we can help you at home. If your child has, since September, been sent home with sounds and words to read, please do keep encouraging your child to read them. Being able to read is so important and it is not always easy to learn to read, so school and home need to work together to ensure every child becomes a confident reader who loves reading.

Take care and have a lovely weekend.

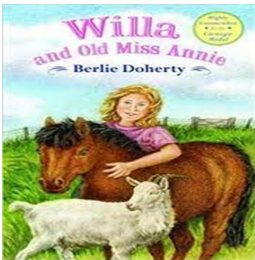

Lost and Found

The lost and found will be held in the Hall on Monday the 27th. Text with the time to be sent on Monday.

We have a lot of lost uniforms, coats etc to be collected. If you know you have something lost, please come and look.

Thank you.

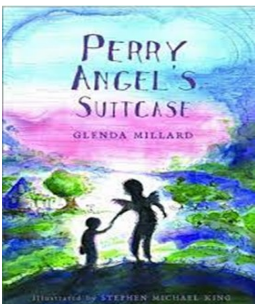

SCHOOL UNIFORM

KS1 Book Of The Week: Willa and Old Miss Annie

Author: Berlie Doherty Book Level: 4.4

When she moves with her parents to a new home far away, Willa is convinced that she'll never have friends again until she meets Old Miss Annie who introduces her to a lonely goat, a forgotten pony, and an orphaned fox.

KS2 Book Of The Week: Perry Angel's Suitcase

Author: Glenda Millard Book Level: No AR quiz

The third instalment in the award-winning Kingdom of Silk series. It has taken Perry Angel almost seven years to find the place where he belongs. He arrives at the Kingdom of Silk one day on the ten-thirty express, carrying only a small and shabby suitcase embossed with five golden letters. What do those letters mean?

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

EYFS and KS1 Art Club

Here is some of the lovely art work the children have made so far. Matisse collages and Barbara Hepworth necklaces. Well done Art Club!

Team EYES

As part of the children's personal development across the school, we are taking part in the Big Schools' Birdwatch. This is a real scientific study (citizen survey), funded by the RSPB.

We have had fun spotting birds in our early years garden. We have also taken the survey home, to see what birds we can spot! Why not look outside, what birds can you see?

Team 1 & 2

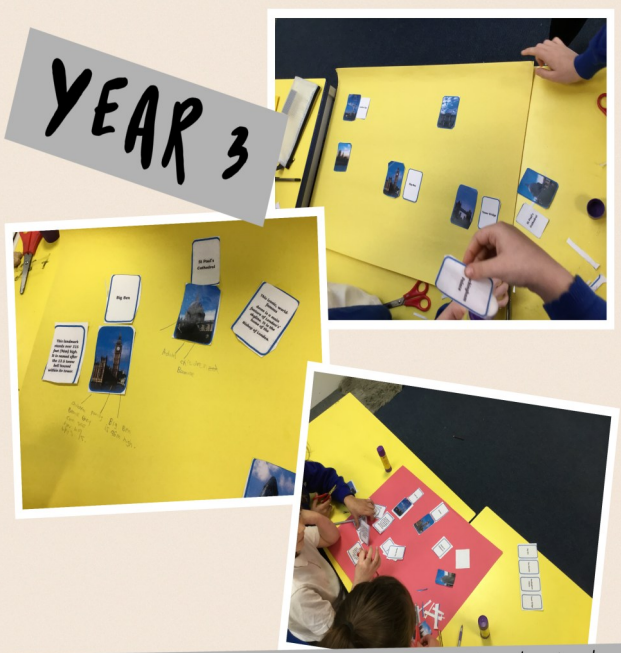

This week in Year 2 we have been creating suspense in our writing. We thought of different scary settings, ways to create suspense and how to show what our character is feeling in different ways.

(Ezzy wrote) A Shrike went
 from ~~front~~ back to ~~the~~ Tower. She ran
 as fast as she could with the
 furious banging bird
 following behind her.

Once upon a time there lived a
 tiny boy called ~~osim~~ who lived in a regular
 house in the spooky ~~woolly~~ forest. One snowy
 midnight he felt ~~thirsty~~ so he began to walk
 to the shop in total darkness with a
 flash light. ~~His~~ dad warned him ~~to~~ beware
 of the ~~dino~~ zilla.

Team 5 & 6

As scientists this week Year 5 have been investigating the moon. We used a ping pong ball to model how the moon orbits around the Earth. The moon has 'phases' which means it looks a little different to us each night. We described how the Moon looks using terms such as 'Full moon', 'first quarter' and 'New Moon'. The Moon has no light of its own. Moonlight is sunlight reflecting off the Moon's surface, as the Moon orbits the Earth the sun lights up the side of the Moon that is facing it. We drew a representation of this.
