

Hand in Hand

Learning together for a better future

Friday 28th March 2025

Dear Parent/Carer,

I am pleased to report that our school is becoming increasingly more culturally diverse with several children joining us from other countries. It is great that our children learn what it is like to live in a culturally diverse country. As a school we celebrate the differences that each of us have and recognise the many similarities. We are, after all, one Roskear family and every child belongs. I am however sad to report that we have experienced some children using phrases or words that are wholly inappropriate. Often these are used not through an intention to offend but rather from the children not knowing that such words and terms are not appropriate. Please can we all ensure that at home we are encouraging our children to celebrate the diversity around us and also teach them that racist and offensive language is unacceptable in modern Britain.

I wish you all a relaxing weekend and thank you for your continued support.

No after school clubs next week

With the exception of homework club (wrap around care) which will be running as normal, there will be no after school clubs running next week.

Thank you.

IMPORTANT

If you wish to purchase a ticket for the Spring Disco (3rd April) please do so via Parent Pay **TODAY.**

No tickets will be issued after this date.

Thanks.

Polling Station

Yesterday, all our children took part in the Crofty Trust Parliament vote. The voting was officially opened by Simon Hague (Crofty CEO), via an online Teams meeting. In the afternoon, the children went to their very own polling station to cast their votes by placing an X in the box. This was to demonstrate to the children how real voting happens. The options were:-

Decide on a charity that our school in the Trust will raise money for through organising fun activities.

Create a Crofty Choir with some children from all the Trust schools.

The votes will be counted by a group of volunteers and the winning choice will be announced to all schools on Monday. A special thank you to Luca and Livia in Year 6, who took part in the official count at the Crofty offices.

Punctuality at Roskear

Polite reminder: The school doors open at **8:40am** and will be closed at **8:50am**

Children who arrive after this time **must** be escorted to the school office and signed in by the adult accompanying them.

Thank you.

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

KS1 Book of the week - The Kiss

Author: Lisa Sunderland No AR quiz

The Kiss, by British author Linda Sunderland and illustrator Jessica Courtney Tickle, is a fantastical tale, beautifully illustrated with rich, glowing colour and fabulous detail. It is one of those books where the illustrations are so mesmerising, it's easy to get lost exploring every page.

KS2 Book of the Week - The Indian in the Cupboard

Author: Lynne Reid Banks **AR Book Level:** 4.7

This is the magical story of a young boy, Omri, who discovers that his magic cupboard and key can bring toys to life, beginning with a second hand plastic Indian who comes to life as Little Bull.

This week we have been planting sunflower seeds.

Team EYFS

We put four scoops of compost into a pot. Next, we made a hole and put the seed in and then covered the seed with a little more compost. Finally, we watered the pots and placed them on a tray near the window.

We are going to observe them as they grow to see how they change. We will look at them each day.

We know our seeds need sunlight and water.

We hope our sunflowers will grow very tall!

Team 1 & 2

This week Year 2 have been busy being scientists. As part of science week, we have learned how to change and adapt our local area to create a habitat for insects. We used recycled materials (newspaper and cereal boxes) and string. First, we cut the newspaper into

squares and rolled it up. We then wrapped the newspaper, twigs and leaves in the cardboard and secured it with string. Our next job is to find the perfect, shady spot to place our bug hotel.

Team 5 & 6

Year 5 have been learning about the voting process this week.

We explored the term 'democracy' and how voting enables us to have a voice. The children understand that to have their say with any big changes they must vote. Year 5 then participated in an academy-wide vote for either a charity to support and raise money for or to create an academy-wide school choir.

The children were excited to have a voice and took their role very seriously.

A weekly award to celebrate our endeavours in Real PE lessons

Ollie for demonstrating exceptional knowledge about the rules of rugby and making a brilliant referee.

Congratulations to Ivy in Year 6 for her medal and badge.

Ivy travelled to Torquay to compete in the South West Cheerleading competition.

She competed as a flyer, eventually leaving as SWCC champion!

Not only did Ivy's team win the competition, they also received badges for 'Hitting Zero' for a perfect routine.

Well done Ivy!

Congratulations to the following pupils who achieved 'Star of the week'
