Learning together for a better future

Friday 4th April 2025

Dear Parent/Carer,

I would like to start by thanking the children, staff and of course you for such a positive term. I have been amazed at the great learning that has taken place over the last 3 months. I consider myself extremely lucky to have such a dedicated team, who work tirelessly every day to do the very best for every child.

Thank you also for your support yesterday by sending your child to the school disco. I am pleased to report that together we raised £876. I would like to give a huge shout out to Mrs Sheppeck who arranged and prepared the event. Please know that this money will be used to support the children.

Finally, I wish you all a restful two weeks. All pupils return to school on Tuesday 22nd April.

Take care.

This week concluded Year 5's swimming lessons and what a success they have been! The children have made noticeable progress in their skills and showed lots of enthusiasm. The lessons have focused on improving technique and building confidence in the water. The children have developed a greater sense of confidence in the water and thoroughly enjoyed their fun session this week to celebrate all of their hard work.

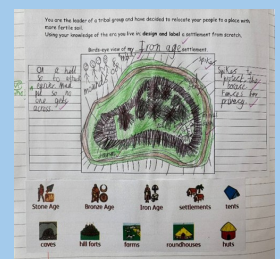

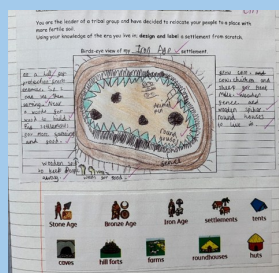

Team 3 & 4

This week, year 3 went to the Cornwall Museum in Truro. We took part in their Stone Age to Iron Age workshop to finish off the learning in on our unit this half term. The children shared lots of knowledge they had learnt across the unit and gained some extra knowledge from the museum's resident archaeologist Mike. We looked at a range of artefacts from all 3 eras of history and made out own beaker style clay pots. It was a fabulous day had by all.

Team 3 & 4

Over the last few weeks, in year 3, we have been learning all about settlements, tools and culture in the Stone Age, Bronze Age and Iron Age. The children really enjoyed thinking about what their settlements would need to be protected and to help them to survive.

would need to be protected and to help them to survive.
