

Hand in Hand

Learning together for a better future

Friday 25th April 2025

Dear Parent/Carer,

I was so pleased to see all the children return to us on Tuesday bright eyed and bushy tailed. I had really missed them. This week has been a hive of activity with everyone getting back to their learning. I cannot believe that before we know it we will be breaking up for the summer and saying farewell to our fabulous Year 6 children. It would be great if in the remaining weeks all the children could have a big push at home with their reading. Reading is such an important skill for life and opens the door to education and the world. Please help by encouraging your child to read each day.

I wish you all a relaxing and sun filled weekend and look forward to seeing many of you at Trevithick Day tomorrow. Take care.

Do you want to help improve the life chances of every child in a local school?

- *Do you want to help make a difference?*
- *Looking for a new challenge and want to support your local community?*
- *Can you spare some time to help us?*

We are seeking new governors to join our Local Governance Committee at Rosemellin School.

As a governor you can help make a difference to every child in a local school – by being a critical friend and both supporting and challenging the school's leadership team to drive school improvement.

You do not need previous experience of governance or education – just the motivation to make a difference and the willingness to commit your time and energy.

The Local Governance Committee meets every half term on a Thursday at 4.15pm.

If this sounds like **you** and you would like to find out more, then please contact Rebecca Collins (Rebecca.collins@croftymat.org) for further information and details of how you can apply.

Working together to keep children safe

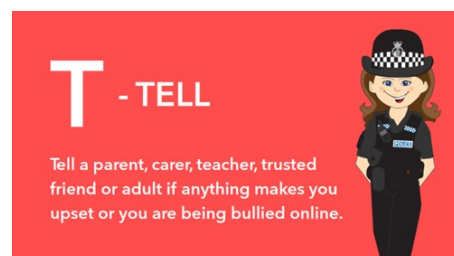

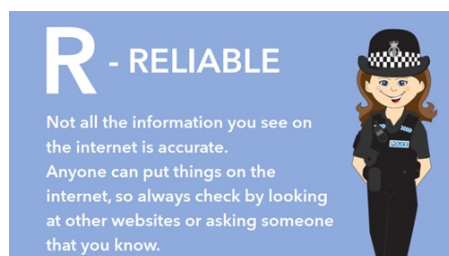

On Wednesday this week we were visited by Tom and Sam - two local police officers from our community. The officers spoke to all Year 4,5 & 6 children about internet safety and hate crime. The children learnt about the age limits of different apps as well as the differences between bullying and hate crime and the legal implications of both.

Many children were shocked to learn about some of the age limits of certain apps, therefore we have published them here for your reference.

KS1 Book Of The Week: Look Up!

Author: Nathan Byron

AR Book Level: 3.5

Rocket is on a mission to get everyone to look up and see a meteor shower.

KS2 Book Of The Week: The Shark Caller

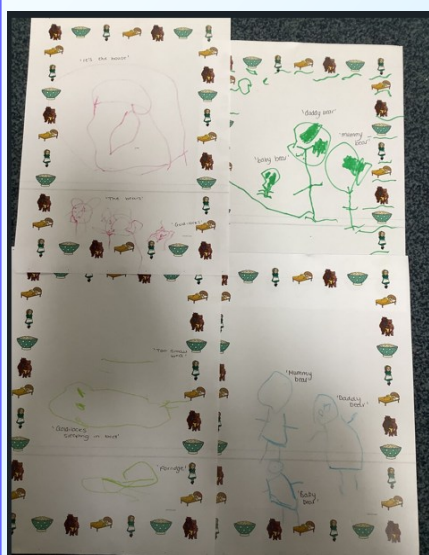

Author: Zillah Bethell

AR Book Level: 3.8

Blue Wing wants to be a shark caller, but must befriend infuriating newcomer Maple instead. They are too angry to become friends at first, but when the tide breathes the promise of treasure, they must journey together to the bottom of the ocean together.

Team EYES

Nursery have enjoyed listening to the story of "Goldilocks and the 3 bears" this week. We have played with porridge in different sized bowls, made bear patterns and even drew our favourite part of the story. We

would love to retell the story at home with you, so please ask us what happens and we will be able to tell you – children don't forget to use your funny voices!

Team 1 & 2

This week we have been reactivating our knowledge of

continents and oceans. We located Africa on a globe and discussed what the climate might be. For our stunning start we listened to some African music and looked at some of the instruments we could hear. We then made our own drums and played them to the music.

Roskear Readers—Termly Work Count

It has been another great term for reading here at Roskear School. Every week in school, we celebrate the word count, both whole class and individual children. At the end of every half term, each child with the highest word count across the school and the child with the highest number of tests passed are awarded a prize. So, all you readers out there get reading and passing those quizzes.

Team 3 & 4

This week during English, year 4 have been learning a warning tale. They have looked carefully at the features and have been concentrating on story openers. They have written their own story openers using time, weather, place, who, where, when and what to draw the reader in. Children then challenged themselves to see if they could write their opening paragraph in a different order.

Congratulations to Kiaralee in Year 4 for her performance while competing in show jumping.

Kiaralee rode her horse at the Breague and Germoe bridleways association competition.

She finished in 3rd place overall – her highest position in jumping so far!

Well done Kiaralee, we can't wait to hear about your next event!

**Congratulations to the following
