

Hand in Hand

Learning together for a better future

Friday 6th June 2025

Dear Parent/Carer,

Congratulations to all the Reception children on their fantastic effort at Sports Day today. I was very sad to be unable to attend but have congratulated each child and awarded each with a head teacher sticker. Thank-you also to all the parents and carers that were able to join us.

Over recent weeks I have noticed large numbers of children coming to school, especially in the juniors, without their reading book and reading record. At Roskear, we expect children to bring these every day please. From September, the office will be calling home to ask for books to be brought in if children do not have them and so I ask that over the coming weeks we work together to make this a positive habit for the children. I will be speaking each day to those children who do not have their books in school to find out why and see how we can support them to make this happen.

In KS2 children who do not bring in their reading record with a parent/carer signature and therefore cannot demonstrate that they have read at home, are (and will be) expected to read for five minutes during their breaktime to ensure they are keeping up with their reading. I thank you in anticipation for your support. Take care and as always, best wishes.

On Tuesday 10th June, Will Keating will be working with each year group rehearsing and performing a couple of songs. Will and the children will be performing these at the end of the day on the KS1 playground.

We would love to invite parents and carers to come to watch, listen and perhaps join in at 14:45. We look forward to seeing you there.

ROSKEAR SCHOOL ARE GOLDEN YET AGAIN!

We are delighted to announce that we, Roskear Primary and Nursery School, have achieved the School Games GOLD Mark Award for the 2024/25 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

With a high proportion of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to:
Mr Forder, PE Lead.

We look forward to applying once again in 2026!

Year 6 had a visit from Ben who works at Geevor mine. He spoke to the children about the history of mining and described what it used to be like.

Team 5 & 6

He let the children try on mining hats and look at different materials which were mined. He spoke about the future of mining where they are trying to restore South Crofty, pump the water out and filter it to be reused. We also discussed how mining materials can be used for renewable energy.

Year 6 are excited about their visit to Geevor later in the term.

Happy non-campers! The year 4's who didn't go on camp this week had a brilliant time off curriculum at school.

We have spent lots of time in the sunshine, playing games and team building. Our favourites were 'Gutterball' and 'Marshmallow Towers'.

Team 3 & 4

Team 1 & 2

This week, Gwithian and Poldhu class took part in exciting hands-on activities where we are exploring plastic pollution and sustainability. The children had lots of fun in the classroom as well as venturing out onto the school playground.

The goal was for each child to be able to identify different types of plastic, how they can be recycled and how they can be upcycled. As they explored the world of sustainability, they were encouraged to share their ideas and explore their creativity. Everyone made incredible sea creatures out of our plastic recycling! I am so proud of how well they took part, and I look forward to more exciting activities like this in the future.

Team EYFS

This week the Pre-School children have started their new topic of 'Where shall we go?'

We have begun by looking at beaches and pirates, which has included decorating flags, sorting buttons onto coloured turtles and even role-playing as pirates!

Please talk to your child/ children about what they like to do when they visit the beach.

Position	Class	% Attend	Number of Late pupils	Change from last week
1st	Helston	98.6	1	-
2nd	Portreath	97	3	+1
