

Hand in Hand

Learning together for a better future

Friday 20th June 2025

Dear Parent/Carer

This year we are trying something a little different from our normal summer fayre. We will be having a summer festival week instead. Each lunchtime there will be something the children can engage with to have fun but also help school raise funds for the library and other developments for the children (timetable and details overleaf). We do hope that the children will enjoy each of the events and would like to thank you in anticipation for your support.

Congratulations to all the children who participated in some way with today's KS2 sports day. It certainly was a warm one, but the staff and children were incredible. I would like to say not only a big shout out to the children for their amazing attitudes and of course to the parents and carers for cheering us all on but also a huge shout out to the staff that ran the event with great engagement and precision, ensuring everyone had fun but were safe. Finally, a massive shout out to Mr Forder for his great organisation of the event.

Take care and stay safe.

This week, we hear from Mrs Lagdon in Porthcurno class...

Team EYFS

The children in YR have been 'keeping watch' over the eggs in the incubator, over the past couple of weeks.

Eventually, the children (and grown-ups) were all excited to see chicks hatching from the eggs before our very eyes!

We had five chicks to look after, although they have now been returned to farmer Simon and our classroom is suddenly much quieter! At times, they were extremely chirpy!

The children had an opportunity to observe them and watch and listen to them each day. We had to make sure they had fresh water to drink and enough food, as well as fresh bedding.

Indeed, our children were very good 'mother hens'.

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

Year 3 had a very special visitor last week; children's author Laura Ellen Anderson came in to work with the children and introduce them to her story books.

Team 3 & 4

During her visit she taught the children how she illustrated her books and how she came up with ideas for her stories. The children then had a go at illustrating their own characters.

This week, Helston went to Geevor Tin Mine.

Team 5 & 6

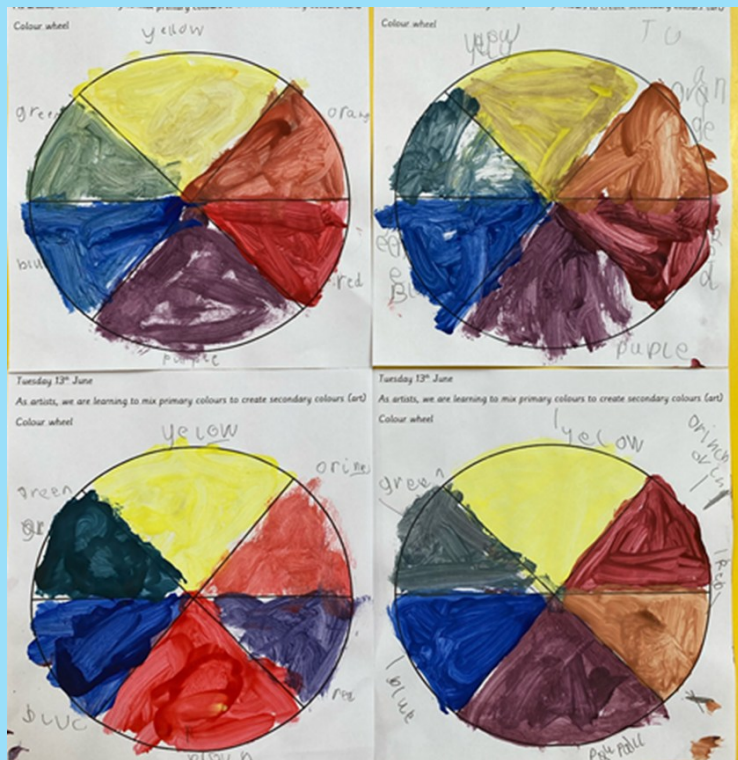

In the morning, they walked around the site visiting the dry, shaft and winder. They then had a go at hand drilling and smashing rock as a Bal maiden would have done.

In the afternoon, they walked through the mill, an underground tunnel and went panning for gold. St Petroc are looking forward to their trip on Tuesday.

Team 1 & 2

In Art this week, Year 1 have been learning about the three primary colours - red, yellow and blue. We learnt that if you mix these colours, they make secondary colours. We explored mixing the colours to make orange, purple and green and showed this on a colour wheel.

Congratulations to Jake for competing in the Southampton Football Club Stadium, St Mary's.

Jake's team, Troon, entered the U11s Southampton tournament and ended up winners, with Jake scoring the only goal in a 1-0 final win. Well done Jake!

KS1 Book of the Week: There's a Tiger in the Garden

Author: Lizzy Stewart

AR Book Level: No AR quiz

When Grandma says she's seen a tiger in the garden, Nora doesn't believe her. She's too old to play Grandma's silly games! Everyone knows that tigers live in jungles, not gardens.

KS2 Book of the Week: The Last Bear

Author: Hannah Gold

AR Book Level: 5.6

Young April and her scientist father travel to Bear Island for his research. Although the bears are believed to have left the island years ago, April discovers that there is one left and befriends him.

Arbor Parent App and Parent Portal

In November last year we moved our Management Information System from SIMS to Arbor. The key reasons for the move were to allow us to communicate more efficiently with our parents and ensure that all core school data is kept in one system.

We are now ready to start using the Arbor Parent Portal and Parent App. Initially we will use this for communicating with you through in-app messages and emails. You will also be able to update the data we hold on you through the App instead of having to talk directly to the school office. For instance, if you move house or change your mobile number. In the future we will look at other areas that we can use e.g. parental consultations.

The **Parent App** is the mobile version of our Parent Portal, for use on mobile devices such as smartphones and tablets.

The **Parent Portal** is a version of Arbor accessible to guardians on a laptop or computer.

There is information for parents/carers on getting started and logging in:

<https://tinyurl.com/y7dsu968>

We have sent an information email to you; please check your inbox for your App access. If you have not received an email it probably means we don't have an up-to-date email for you. Contact the school office to let us know, thank-you
