

Roskear Primary and Nursery School

Learning together for a better future

June 2025

Dear Parents/Carers,

Reference: KS2 Sports Day at Carn Brea

It is with regret that we are having to make significant changes to tomorrow's planned day at Carn Brea due to the extreme weather (heat).

As you know, at Roskear we put the safety of the children at the forefront of all our decisions and as such it would be unsafe for us to continue with the whole day, in the sun, with little shade tomorrow and the children exerting themselves. We will therefore not be doing the running races in the morning but will instead use the morning to carry out the afternoon PE events such as discus, dribbling, long jump etc.

We will still do the running events but we will do this on a different day, back at school and will be able to include more children in these races, which will make it even better! You will of course be invited to attend the new event when we have selected a date.

We do hope you understand our decision and recognise that this is about keeping every child safe. All children will be transported back to school when the morning events have finished.

I look forward to seeing you at the event tomorrow and apologise for the inconvenience.

Kind regards as always,

Nic Furnish
Headteacher
