## Wrap-Around Care and Nursery/Pre-School Charges from September 2025

Crofty Education Trust, of which Roskear Primary & Nursery School is a member, has recently conducted a review of the charges applied by all the schools in the Trust for Extended Services. Extended Services cover Breakfast Club, After School Clubs and Nursery/Pre-School provisions.

The review was conducted to ensure a consistent tariff is applied by all the schools within the Trust and to also make sure the rates charged cover the associated costs of making these facilities available to the parents/carers. The Trust are also keen to ensure these charges are kept to a minimum.

### Wrap Around Care (Breakfast and After School Club)

From 1<sup>st</sup> September 2025 the standard charge for wrap-around provision will be **£4.50 per hour**.

The charges were benchmarked against similar provisions and the Trust believe the charges still represent good value for money compared to similar offers in the local community. The average cost of wraparound care in the UK at the time of writing is £5.90 and in Cornwall £5.32. The charge includes food provided at both the Breakfast and After School Clubs.

We appreciate the price has increased, therefore we will be phasing in the increase over the coming academic year:

## Nursery & Pre-School Charges

From 1<sup>st</sup> September 2025 the standard charge for Nursery/Preschool provision will be as follows:

Nursery 2 Year Olds £6.25 per hour

Nursery 3 & 4 Year Olds £5.65 per hour

There will be an additional charge if a Nursery child stays for lunch (the school is charged an additional fee for this provision by a third party).

Parents accessing the Trusts Nursery provision will, of course, only pay for hours which are greater than their government free childcare entitlement. The Nursery rates are in turn in line with the funded hourly rate that the Local Authority applies.

We appreciate the price has increased, therefore we will be phasing in the increase over the coming academic year. Please see charging details below:
