

# Hand in Hand

*Learning together for a better future*

Friday 12th December 2025

Dear Parent/Carer,

It is very rare for me to write to you with concerns but today I am. I am concerned for the number of our children that are on social media and online; potentially putting themselves at risk of harm or behaving in an inappropriate and unkind way. This week, I have seen videos of children videoing themselves on Tik Tok, on a school day, at 11.40pm when they should be fast asleep in bed. Such incidents like this are a significant safeguarding concern for the school and may result in the school contacting social care due to parents not proactively keeping their child(ren) safe. Please can I ask you to consider how long, what time of day and what your child is doing when they are on there. We recommend that children should not have their phones in their room and most certainly not at bedtime. Most social media platforms have a minimum age limit and that is there for a reason – it is there to keep children safe. Inappropriate/unkind/offensive behaviour that impacts back in school will be dealt with in accordance with our behaviour policy. Please remember that offensive behaviour should always be reported to the police.

Thank you, Nic Furnish

Thank-you for coming along to support this year's Christmas Fayre and Santa's Grotto.

Don't forget next week is our **Yr R Nativity on Tuesday at 10am and 2pm.**

## Team EYES

Pre-School and Nursery would like to say a **BIG** thank you to all the parents and carers who came along to our Christmas sing along.

We enjoyed singing our Christmas songs as well as sharing festive stories together.

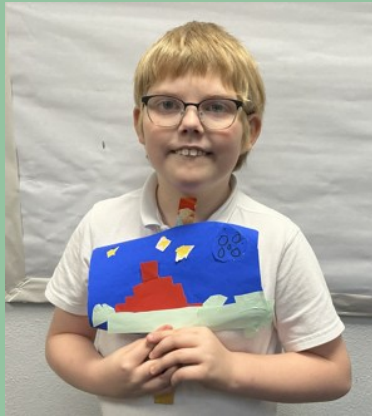

We hope that you continue to sing these over the Christmas period, spreading some Christmas cheer! Merry Christmas and a Happy New Year!

**Notice:** Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

## Team 3 & 4

Year 4 have been busy this week creating their final piece of work using levers and linkages.

The children based their pop-ups around their learning about the ancient Maya. Designs included the Maya pyramids and the constellations.

This week, Year 5 had a brilliant time decorating their gingerbread for the Christmas fayre. They were so focused and precise with their decorating. It was brilliant!

## Team 5 & 6

Year 1 have started their science unit of learning, 'Animals including humans'.
