

Hand in Hand

Learning together for a better future

Friday 8th June 2026

On Wednesday, Mrs Lamb, Director of Education for Crofty, visited Roskear. During the course of the morning, she observed teaching and learning across a range of classes and met with senior leaders to discuss curriculum provision throughout the school, including our approach to supporting pupils with Special Educational Needs and Disabilities (SEND). The visit provided a valuable and constructive opportunity to share current practice and reflect on ongoing priorities for school development.

May I also take this opportunity to remind all parents and carers that, in the event of your child being absent or arriving late to school, it is essential that the school is informed at the earliest possible opportunity. This can be done by leaving a brief message on the absence line or by reporting the absence via Arbor. Prompt communication is vital to ensure that safeguarding procedures are implemented effectively.

Next week, our Year 5 pupils are on their school residential to the Isles of Scilly. We wish them all a fabulous time.

I'm keeping my fingers crossed for some sunshine over the weekend for you all after our recent spate of gloomy weather. Stay safe. Mrs Johnson

Team EYFS

It has been a busy first week back in Nursery! We have been exploring the topic of 'The Beach' and making our own jellyfish. The children have been encouraged to use the scissors correctly; developing their fine motor skills, hand strength and promoting independence cutting along the correct lines. All of the jellyfish look amazing and are very colourful.

Nursery you are superstars!

Notice: Roskear School distributes fliers and magazines offering family services or posts details of local activities on the newsletter. Whilst we think that parents might like the information and find it useful, the school does not necessarily endorse these services.

Team 1 & 2

In English this week, Year 1 have been working hard writing their rainbow poems.

The children have used varied adjectives and verbs within their writing.

They have produced some exceptional work.

Camborne Green Fest 2026
Saturday 6 June | 11am – 5pm
Camborne Recreation Ground

Join us for a **free, family-friendly day out** packed with **live music, eco stalls, food, and activities for children!**

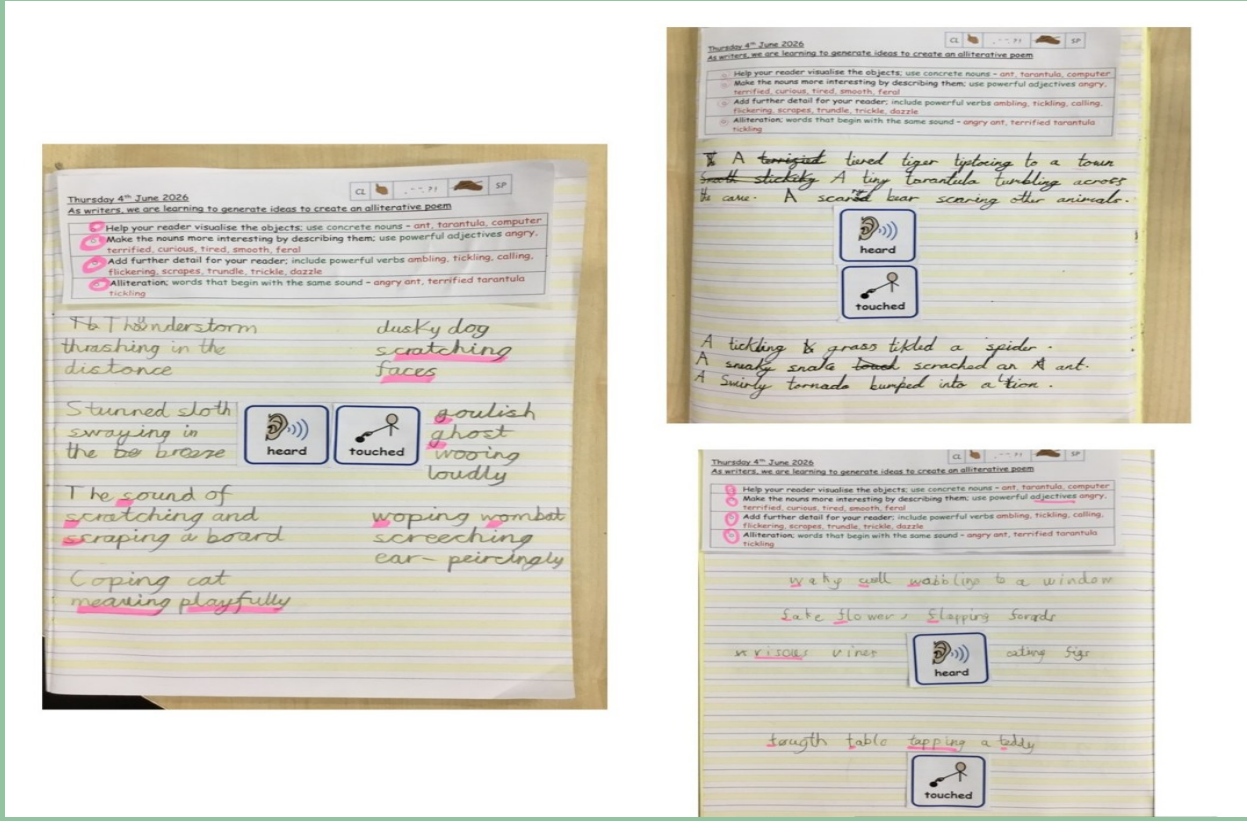

Enjoy performances from **Martha Woods, C-Bone, Kerosene Cocktail, and Rudi's Message**, plus discover over **20 local organisations** championing sustainability across Cornwall.

With street performers, festival food, and plenty to explore, it's the perfect way to celebrate **Great Big Green Week** with family and friends.

Team 3 & 4

Year 3 have been generating ideas for sense poems using alliteration and powerful verbs. We learnt the poem 'The Cave of Curiosity' and used the structure of this poem to help us. We are looking forward to seeing the children's final poems!

We kindly ask for your support in ensuring that our disabled parking spaces are used appropriately. It has come to our attention that, on occasion, these spaces are being used by vehicles that are not displaying a valid Blue Badge. These spaces are essential for members of our community who rely on them for accessibility and safety. We therefore respectfully remind all drivers that Blue Badges must be clearly displayed when using a designated disabled parking space. Please note that we will be monitoring the use of these spaces moving forward. Thank you for your continued support.
