

Hand in Hand

Learning together for a better future

Friday 10th July 2026

As we approach the end of another busy and successful week, I would like to share some of the highlights from across our school community.

On Wednesday, I had the pleasure of attending the Crofty Trust Annual Strategy Day. This provided an invaluable opportunity to reflect on everything we have achieved together as a family of schools over the past year, while also looking ahead to our priorities for the coming academic year. It was inspiring to work alongside colleagues from across the Trust as we considered how we can continue to provide the very best opportunities and outcomes for our children, support our dedicated staff, and strengthen our wider school communities.

Our Reception classes enjoyed a wonderful trip to the beach this week and were incredibly fortunate to have glorious sunshine throughout the day. The children had a fantastic time building sandcastles, paddling in the sea, exploring the beach following a beach safety talk from the RNLI. Experiences like these create lasting memories and enrich children's learning beyond the classroom. Thank you to all of the parents and carers who gave their time to support the visit—it simply wouldn't have been possible without your help.

Looking ahead, we are very much looking forward to our Summer Fayre next week. Last year's event was a huge success, with favourites including the inflatable darts, chocolate tombola, the ever-popular "Soak the Teacher" stall (which seemed to attract an unusually enthusiastic queue!), as well as plenty of ice lollies and sweets. Please see the accompanying flyer for full details.

A reminder that on Tuesday the children will be spending the day with their new teachers in their new classrooms as part of our transition programme. Children should go directly to their new classroom at the start of the day and should also be collected from there at the end of the school day. Once all children have been safely collected, families are warmly invited to meet their child's new teacher between 3.30pm and 4.00pm.

Team EYES

"Holiday fun has arrived in Preschool! We have been packing our suitcases, filling our buckets, and exploring the sandpit for hidden treasures. We've had lots of fun using our imagination and talking about all the exciting places we would love to visit.

Please ask your child where they would like to go on their next holiday and what they would pack for their adventure. We can't wait to hear all about their exciting ideas!"

Team 1 & 2

In Year 2, we have been focussing on handwriting since September. We have been learning how to form our letters correctly, making sure they are sat on the line and that we have the perfect handwriting position when we are writing. Mrs Burt and Mrs Keast are so proud of the children's dedication and tenacity, all of our children try their best when they are writing across the curriculum. Here are some examples of our writing!

Pupil Lunch Costs from 1st September 2026

Unfortunately, due to increased costs, the price of a school lunch for children will be increasing by 14p to **£2.94** per day from 1st September 2026.

The Government are currently continuing to fund Universal Infant Free School meals, and this means that all children in Reception, Year 1 and Year 2 can be provided with a school meal free of charge.

If your child is in Years 3-6, or they attend our Nursery or Pre-School, they can also have a free school meal if you are in receipt of Universal Credit (from September 2026). Please visit Cornwall Council's website for more information on how to apply.

<https://www.cornwall.gov.uk/schools-and-education/schools-and-colleges/school-meals/>

If you need help or advice applying for Free School Meals, please contact the school office.

If you are not in receipt of these benefits you will need to pay £14.70 per week via ParentPay if you wish your child to have a school lunch every week day.

We politely remind you that payment should be made in advance to keep your child's ParentPay account in credit or at £0.00, thank-you.

SAFEGUARDING

A gentle reminder that once children have been collected at the end of the school day, families should leave the school site promptly. Please ensure that children do not play on the school equipment after collection, as staff are no longer available to supervise at this time.

Thank you for your understanding and co-operation in helping us keep all children safe.

Free School Meals Auto Award

From September 2026, the Department for Education (DfE) will change the eligibility criteria for free school meals:

- All households on Universal Credit will qualify. Income limits will no longer apply.
- Free school meal entitlement will no longer be 'protected' once awarded. Instead, eligibility will need to be checked at the start of each new school year.

To support these changes and reduce administrative burden on families and schools, from August 2026, Cornwall Council will introduce a new way to help more children receive the free school meals they are entitled to called the 'Free School Meals Auto Award' system.

- All existing claims will be rechecked before the start of each new academic year.
- Checks will also run each term to find pupils who have become eligible.

If a family's situation changes between checks, they can still apply using the Synergy Enquiry system - <https://cornwall.cloud.servelec-synergy.com/SynergyWeb/FSMMain.aspx>

How the Free School Meals auto award will work

Step	Detail
Bringing together the data	Cornwall Council will securely bring together data held across different Council teams to identify pupils who may be entitled to free school meals, but are not yet registered.
Checking the data	Cornwall Council will review the combined data and look for families: • With school-aged children • Who receive certain government-specified benefits
Contacting families	Cornwall Council will send the families who are potentially eligible a letter explaining: • What free school meals are • The benefits of these • Their plan to run the eligibility checker against their details The letter will also explain how families can opt out if they prefer the eligibility checker not to be run.
Registering pupils	Once the opt-out period ends, Cornwall Council will remove the records of those families who opted out and run the eligibility checker on the remaining records. All of the eligible records will then be registered for free school meals and supported through the usual Department for Education process.
