

Hand in Hand

Learning together for a better future
Friday 2nd October 2026

Dear Parent/Carer

It has been another **GREAT** week at Roskear. This week several visitors commented on how purposeful the atmosphere was and how focused on the learning the children were. We are so proud of them and the **GREAT** start back they have made.

This week, I have had many children visit me for headteacher awards and the writing I have seen has been incredible.

We had more **GREAT** news this week, as our kitchen was inspected and awarded 5 stars for food hygiene. My thanks to the team and a special shout out to Alina and Ashley. Next week, our after-school club offer will come out, so please don't forget to book up as spaces go fast.

I would also like to thank all the parents/carers who use our school carpark and are respectful to staff and follow our instructions. The children's safety is always our top priority and the rules and timings of the carpark are there to help everyone keep safe.

Finally, I wish you all a **GREAT** weekend. Take care and many thanks as always for your continued support and trust.

Nic Furnish, Head Teacher

Team EYFS

This week, our Pre-School children have been practising their new snack routine.

We have been learning how to set the table with cups, plates and jugs of fresh milk and water, as well as developing our independence by cutting up our own fruit and pouring our own drinks.

It has been wonderful to see the children becoming more confident and independent during snack time.

What a **GREAT** job everyone has done!

GREAT

Team 1 & 2

We have been learning about different biomes in science. We looked at different habitats and what animals we might find there.

We had to say where our animal lives, what it eats and describe what it looks like. We wrote a set of clues, then our friends had to guess our animal.

Team 3 & 4

This week in Year Three, the children have been sampling different types of vegetables that they can choose from to put into their healthy pasta pots.

There were some mixed reviews, particularly with the onion and broccoli! It was great to see the children trying new things and then giving them a score out of 10. They were then able to design their pasta pots to include a range of colours, textures and flavours from the ingredients.

We spoke about the importance of having a healthy balanced meal. The children loved trying some new foods. Can you try something new this week?

Matilda Nicholls

For her dedication to gymnastics outside of school and taking part in a recent gymnastics competition. Well done.

Team 5 & 6

In our Year 5 science lessons this half term, we have been learning about the properties of materials.

The children have investigated how different materials behave and used their understanding of properties such as magnetism and particle size to solve problems.

In small groups, the children worked scientifically to separate mixtures without using their hands, carefully selecting equipment such as magnets and sieves and classroom resources to help them.

We were really impressed by their teamwork, reasoning and scientific thinking!

Fresh Fruit Fun at Roskear!

We are delighted at Roskear to be part of the **Tesco Free Fruit & Veg for Schools Scheme**.

Thanks to this fantastic initiative, children attending our Breakfast Club have been enjoying a variety of fresh fruits and discovering new flavours along the way.

It's been wonderful to see them trying different fruits and developing healthy eating habits.

SCHOOL HALLOWEEN DISCO

Tickets are now on sale for the school Halloween Disco on **Wednesday 21st October 2026** (YrR, Yr1 & Yr2: 5:30pm–6:15pm, Yr3, Yr4, Yr5 & Yr6: 6:30pm–7.30pm).
