

Stunning Start

Papier Mache planet Earth!

Fabulous Finish

Design and make our own transport to travel around planet Earth. What will you see?

Computing will be taught in addition to the subjects below and , where possible, will be linked closely to the current topic.

Writing

In our writing, we will be learning to tell the story 'The Three Little Pigs'. We will be writing our own simple defeating the monster stories, focusing on describing, using adjectives. We will be learning a persuasive advert text to write our own adverts for the three little pigs' houses.

Art

In Art, we will be exploring the style of Picasso and identifying and discussing patterns. We will be using a variety of writing tools on different surfaces. We will be observing and drawing people. Finally we will develop our ideas to create our own final piece of artwork in the style of Picasso.

Autumn 1 What is planet Earth?

Maths

In Maths, we will be learning about place value within 10. Counting backwards and forwards within 10. We will be adding and subtracting numbers within 10 and be learning our number bonds to 10.

RE

Who do Christians say made the world?
We will be looking at the Creation Story.

Science

In Science, we will be learning what a season is and the names of the four seasons. We will also be learning about the changes that trees and animals make throughout the year.

PSHE

We will be learning to explain and give different examples about why our class is a happy and safe place to learn.

Geography

In Geography, we will be learning that the Earth is a sphere and can be represented on a globe and map. We will also be learning that the equator is an invisible line around the middle of the Earth and is hot. We will be looking at how this separates the North and South Pole and that these are cold places.

Music

We will be exploring the sound of instruments and developing our skills.
