

### Stunning Start

Make and fly a kite

### DT

In DT, we will be investigating structures. We will be designing making, testing and evaluating a free standing structure.

### Computing

In computing we will be exploring digital writing, using a keyboard.

### Fabulous Finish

Weather forecast recordings.

### Writing

In our writing, we will be learning the story, 'Monkey See, Monkey Do'. For our fiction writing we will be writing our own journey tale, focusing on description.

### Science

In science we will be naming and describing the four seasons.  
We will be making and describing observations about how the weather changes over time.

## Summer 1

### Why does the weather change?

### Maths

In maths, we will be learning about multiplication and division. We will also be learning about fractions.

### RE

We will be continuing to learn about Judaism. We will be exploring Jewish stories from the Jewish Bible. We will be exploring the Jewish celebration of Shabbat.

PE will be on a **Tuesday** this half term. Your child may come to school dressed in their PE kit on this day. In PE, children will develop and apply their sending and receiving and reaction and response skills,

### Music

We will be finding a pulse, clapping a rhythm, playing instruments, improvising and composing.

### PSHE

We will be learning about keeping ourselves healthy and the difference between being healthy and unhealthy.

### Geography

In geography, we will be learning about the four seasons and the effects on the weather. We will learning about the changes that happen within each season. We will also be describing and comparing the weather in different parts of the world.
